Company Name: Gurdwara Singh Sabha

Description: Gurdwara Singh Sabha, Bradford is the newest Gurdwara in Bradford having officially opened its doors to the Sangat in October 1994. Before the Gurdwara was built, local Sangat would have kirtan programmes and do Sikhi Parchaar at home. It was soon decided that a Gurdwara was desperately needed. Thanks to generous donations from the Sangat, enough money was collected to buy a disused factory site close to the City Centre in February 1994. With Guru Ji's grace, the Sangat got together and converted the site into the Gurdwara that stands there today.
